WHEN ??????  
WILL WE  
HAVE OUR  
OWN  
SWIMMING  
POOL ??????  
WJN.

Most families in St. Albert have one or more holidays spent during the summer-time at one of Alberta's beautiful lakes. Recreation at a lake always means that children like to swim which can spoil the whole day for those parents who have to be anxious for their children because they cannot swim.

Swimming is a very important necessity for health and especially after a long winter such as we have in Alberta, our children should have extra opportunity to swim as much as they want. To send our children to Edmonton for Swimming lessons is not only a waste of time but is also too expensive. There is also the fact that St. Albert children most of the time are not allowed to enter Edmonton swimming pools because Edmonton children themselves are lined-up waiting for the opportunity to swim. We need for our children and adults our own "all year round swimming pool" as soon as possible. The Town of St. Albert, in close co-operation with the School Boards could make a wonderful plan that each child could follow swimming lessons as a part of their Physical Education.

A well-planned swimming instruction programme for all the citizens of St. Albert could put our Town in the unique position in Alberta and Canada, where it could claim that all our children can swim in safety in an emergency. Because there is an enormous difference between swimming and SWIMMING. What we mean by swimming is not that a child can "dog paddle" from one side of the swimming pool to the other and then rest for  $\frac{1}{2}$  an hour. BUT that a child can at least swim ten lengths both on the back stroke and breast stroke; that

they can undress themselves under water in case of a boating accident, (this will also help them to overcome their fear of water in any emergency circumstances); that all of them can pick-up an object from the bottom of the pool; and that each can at least swim 20 yds under water. This is only a matter of good instruction, which will cost money, but which will make each vacation at a lake a happier time for the whole family. So many boys are accompanying fathers on fishing trips and have to use life jackets which doesn't guarantee safety to a non-swimmer if rough weather starts.

If Father and son have followed the good safety instruction as mentioned above - each of them will be capable, with the life jacket to save themselves. We know that our progressive Board of Administrators is all in favor of a good "all-year-round-swimming-pool" but it all depends on you as a tax-payer. Are you willing to pay for it? A close estimate of \$8.00 per family increase in taxes per year would enable us to build and operate an ultra-modern swimming pool for which the beautiful recreation grounds in Grandin Park are already available. We would like to show the town officials how many of our tax-payers would be willing to pay this small increase in taxes for such an important addition to our community life.

Following you will find a survey form and we would be much obliged if you would send this back to our office before the 15th of March 1962, to St. Albert Gazette P.O. box #569 St. Albert.

Show your interest in the safety and welfare of your children, by sending this to us now, remembering to sign your name.

1.) Are you in favour of having our own "ALL YEAR ROUND" swimming pool in St. Albert as soon as possible?

U. C. W. HOLDS FIRST MEETING.

Mr. Henry Armstrong, Secretary-Treasurer of the Protestant Separate School Board was the guest speaker when the United Church Women of the St. Albert United Church held their first meeting following inauguration of the new church organization. His subject was on a proposed Scholarship Foundation plan, which members found most interesting.

Mrs. W. Blackie, president was in the chair, and plans were discussed for formation of five groups in the organization, the suggested division being a unit from Grandin Park, one from Sturgeon Heights, one from Brae-side, one from Mission Park and one from the rural area surrounding the town. Other plans discussed were ways in which the organization could assist the church in the coming year. Additional funds for manse furnishings will be required, decoration of the nursery and provision of drapes for the lower hall were among the projects mentioned. The U.C.W. has been approached by a local service club regarding catering for regular dinner meetings and this is under consideration.

Mrs. R. Verge was named representative to the Committee of Stewards of the church, and will discuss with them the ways in which the U.C.W. can help.

Subscriptions to the United Church publication "The Observer" will be looked after by the women, and those desiring the paper may contact Mrs. Blackie or the secretary, Mrs. D. Richardson.

F. U. A. DISCUSSES MEDICAL SERVICES.

Main purpose of the recent meeting of the members of the St. Albert Local of the Farmers' Union of Alberta, together with a large attendance from Villeneuve, was to hear a representative of Medical Services Incorporated, who explained the services provided and the rates for group insurance.

As 75% of membership of the local is required to form a group, decision was delayed until the next meeting and the action taken will depend on the interest shown by members in attendance at that meeting, to be held on March 13th in the St. Albert Community Hall. Other business discussed was information regarding Beginner's Welding Course received from the office of the District Agriculturist. Anyone interested in such a course should contact the office of the Dist. Agriculturist or the secretary of the local F.U.A. Another item brought before the meeting was the Agricultural Short Course to be held in the Sales Pavilion, Edmonton, on February 21, 22 and 23.

ST. ALBERT AND DISTRICT CHAMBER OF  
COMMERCE.

A very interesting general meeting was held with 22 in attendance. The agenda was as follows: Mr. H. Armstrong gave a fine talk on the Scholarship Foundation Plan. The Chamber of Commerce assured Mr. Armstrong that if the plan is a success, it would in turn meet its responsibilities toward it.

The revised bylaws prepared by the Bylaws Committee headed by Mr. Karl Albert were read and approved by the meeting. Mr. Rod McPhatter accepted the position as treasurer of the Chamber of Commerce. Four more Directors were added, who are: Mr. Bob Mitchell, Mr. Maurice Belley, Mr. Karl Albert, Mr. Allan Blair. Due to the expansion of the town and the amount of work involved in the Chamber, it was found necessary to add these to the slate of officers. The Chamber has been striving to acquire a licence plate outlet in St. Albert, with the help of Mr. Keith Everitt, M.L.A. The outcome will be heard at a later date. Mr. Everitt was also elected an Honorary Member of the St. Albert and District Chamber of Commerce.

A committee was set up, headed by Dr. Skrobot, to investigate and promote the possibility of a hospital for St. Albert, as there is one slated for the area between here and Legal. Mr. Karl Albert was an official represent-

#### ST. ALBERT ON GIANT SHOPPING "SPREE".

Wednesday, February 14th dawned grey and chilly, but this did not deter what looked like half the population of St. Albert from turning out to enjoy the shopping facilities provided in the new Grandin Shoppers Park. Mr. W. J. Veness Chairman of the Board of Administrators of the New Town after a few congratulatory words, cut the ribbon across the door of the new Canada Safeway store and

the first customers trooped into the building, where the ladies were greeted with corsages, men with cigars and the children with balloons and suckers. Other new premises received their share of attention, and while they did not carry out official ceremonies, their doors opened at the same time, and shoppers discovered with pleasure the very fine line of hardware and household necessities at Tompkins, the great variety of small items, gift wares, children's clothes and sewing needs at Goodkey's, the attractive jewelry at Lefebvre's and the excellent coffee at the Delray, where Mr. and Mrs. Gordon greeted their first customers with corsages for the ladies. Already opened, but sharing in the attention of the day was the fine new Bank of Nova Scotia Branch.

#### SCOUTS AND CUBS CALLED TO CHURCH PARADE

The week of February 19th to 25th is Boy Scout Week, which culminates in religious observances by Scouts and Cubs on Sunday, February 25th. Parents are asked to encourage their sons to attend the church of their choice in uniform on that day. Scouts and Cubs of the First St. Albert will attend Mass at the St. Albert Roman Catholic Church at 9:45 a.m. and members of the Second St. Albert will parade to the St. Albert United Church for Morning Worship at 9:45 also. Members of the second St. Albert and their fathers will hold their Father and Son banquet on Friday the 23rd at 6:30 p.m. in the United Church, while the time-honoured "bean Supper" of the First St. Albert will take place at 5:00 p.m. in the Parish Hall on Sunday the 25th.

### CNR STATION AGENT CHANGES.

Mr. Clarence Sadler, agent of the C.N.R. in St. Albert since early 1955 has received notice of a transfer (and promotion) to the position of sales representative for the Express Freight Department of the C.N.R., working out of Edmonton. Filling the post at the moment in St. Albert is W. Melnychuk, relief agent, Edmonton area.

Mr. Sadler intends to continue making his home in St. Albert and will live in the station living quarters until construction is complete on the

home he is building at #4 Mill Drive. As he is an exceedingly active worker in the St. Albert Community League and the St. Albert Council of the Knights of Columbus where he is publicity chairman, residents will be very pleased that he will continue to be a citizen of St. Albert. Mr. Sadler has expressed his appreciation of the co-operation received from residents of the district during his tenure of office as station agent, and hopes that his successor may enjoy the same.

### SEMINAR ON VOCATIONS FOR THE PRIESTHOOD.

The Star of the North Retreat House was host to over 60 Knights of Columbus on Monday, February 12th. The purpose of the Seminar was to study the vocations for the religious life and was sponsored by the Knights of Columbus in co-operation with the Retreat House.

After a dinner held in the Retreat House, the group met to hear lectures and also to present their views derived from discussion groups. Three lectures were presented. Rev. Father LaFreniere, O.M.I. lectured on "True Concept of Vocation and the Role of Parents", Rev. Sister Adele lectured on "The Religious Life for Women" and Reverend Father D. McManus lectured on "Purity and Vocation". Father McNeil, Chancellor of the Archdiocese was in charge of guided discussions.

The hope of the Seminar is that through this method information concerning the true nature of the Vocations will disseminated to many parents.

### UNITED CHURCH ANNUAL MEETING.

Dr. E.R. Schwarz was in the chair for the first Annual Congregational Meeting of the St. Albert United Church held since the appointment of an Ordained Minister to the charge. With

his coming it has been possible to give the Sacraments of the Church a much more prominent place in the life of the congregation, with the Sacrament of the Lord's Supper on the first Sunday of each month at the regular morning worship hour, 9:45 and a mid-month early Communion at 8:30 on the third Sunday of the month. The work of pastoral visitation and counselling has also been greatly expanded. An enlarged Session to be allotted duties on a district basis will greatly assist in visitation and enable the minister to devote more time to the necessary educational and counselling work.

Report of the Christian Education Committee showed great development with 200 pupils registered in the Sunday Church School and the establishment of mid-week groups of Messengers, Explorers, C.G.I.T. and Hi-Schoolers Bible Study since last September. There are also both Junior and Senior Choirs and an active Hi-C. Mr. Bruce Filuk, formerly head of the Christian Education Department and Superintendent of the Sunday School, has relinquished the latter post and will continue as Christian Education Chairman, while Mr. Bert Mockford has assumed the Superintendent's duties.

The purchase of additional land for parking facilities and for the construction of a manse as recommended in the report of the Committee of Stewards, was approved by the meeting. The Stewards were authorized to proceed with the necessary arrangements. Financial reports showed 114 users of envelopes, while collections and donations amounted to approximately \$11,000.00, an increase of about \$2,000 in the past year. Budget for 1962 calls for a revenue from these sources of \$15,350.00.

Elected to the Session were Mr. D. Ingle, Mrs. D. Ingle, Mr. W. Rockwell, Mr. J. Bauman, Mr. N. Kelly, Mr. J. Koroluk, Mr. H. Mockford, Mr. D. McEach-

## VALENTINE DANCE CROWD ASKS FOR MORE

The Senior Sports Committee scored an unqualified success on the 14th with their Valentine Dance featuring the Barn Dance gang of Gaby Haas and Tony Biamonte, CFRN's Italiano Cowboy. A large crowd enjoyed it so much that they will be back on Easter Monday, April 23rd for another dance under the auspices of the Sports Committee. Lucky winner of the 4 point blanket given as a door prize Wednesday was Mrs. Ethel Ward of 11 Garden Crescent. A reason contributing greatly to the success of the dance, we think was the concerted effort made to sell tickets, including a door-to-door ticket sale, which was, according to all reports, very effective.

## BOARD ORGANIZES COMMUNITY LEAGUE COMMITTEES FOR YEAR

The first meeting of the recently elected Board of Directors of the St. Albert Community League was devoted largely to organizational planning. Committees were set out with four coming under the jurisdiction of the first

Vice-President, Mr. Jim Gagnon, as follows: Constitution, with chairman Lisle Randal; St. Albert Orioles, chairman Ann Marie Blair; St. Albert on Sturgeon Players with chairman Mrs. Betsy Briggs, and Sports, with Chairman Roger Dalphond. Another four committees will be under the jurisdiction of second Vice-President, Ivan Brewster. They are: Management, with Emil Soetaert Chairman; membership, with chairman Wim Netelenbos; social, with Mrs. W. Fraser as Chairman, and Youth, with Chairman Chris Gates. In addition the Bingo Committee will continue under the chairmanship of Ivan Brewster with bingo every Wednesday evening, alternately sponsored by the Ladies Auxiliary to the Legion and by the Community League.

## "LADIES IN RETIREMENT" FINE PRODUCTION

Compliments are certainly in order to the cast, director and production staff of the St. Albert-on-Sturgeon Players first major production "Ladies-in-Retirement". From the opening curtain to the final moment, the play was smoothly produced, and beautifully paced. It is difficult to play favorites but possibly our biggest bouquet should go to Margaret Henry for a really fine performance. We were also particularly pleased with Marcia Scammell's Leonora Fiske. Maybe it was that fetching red wig! While we are on the subject of costumes - they were wonderful - quite authentic, and most attractive. The sets were very well done, and oh those properties! That was quite a collection of heirlooms and bric-a-brac.

The play was kind to them in one way - it required only one set, so they were able to concentrate on that and it was really lavish. We were sorry Directress Eleanor Ray did not come forward to receive her bouquet at the hands of Andy Andrews - we would like to have shown her by our applause how much we enjoyed her work. Only one thing troubled us, there were not enough people there to enjoy the play. It deserved a packed house both nights and it simply did not get it. The rest of you, who didn't come, missed a wonderful evening's entertainment.

#### "THINKING DAY" TEA VERY SUCCESSFUL

The annual "Thinking Day" Tea by the local Association of Guides and Brownies was, as usual, very well patronized. In addition to the tea, beautifully served by the girls themselves, there were displays of Guide and Brownie projects, and a bountiful sale of home cooking. General convenor of the affair was Mrs. J. Frigon, and receiving guests was association Vice-President, Mrs. G. Raboud. Presiding at the tea tables were Mrs. L. Nickerson, Rev. Father M. Joly, Mr. R. Fowler, Mr. Frank Ricard, Mr. J. Chimko and Mr. R. Scammell.
